MYSORE STATE REFUGEES RELIEF COMMITTEE, BANGALORE.

Notification dated 30th December 1947.

The public of Mysore are now familiar with the sad tale of the refugees that have over flowed from West Punjab, Sindh and Hyderabad into various parts of the Indian Dominion as an immediate result of the partition of the country from the 15th August 1947. The number of refugees and the magnitude of the problem imposed the heaviest strain upon the newly formed Indian Government which faced the problem with exemplary energy and decision, without reckoning the cost and established a fabric of elaborate organization to deal with the refugees immediately while contemplating their final settlement and absorption in suitable places throughout the country. They also appealed to the Provincial Governments and the States to receive and absorb as many refugees as possible, and in response to this human call Provinces and States offered to receive refugees in accordance with their respective capacities. Accordingly, our Mysore State has offered to take and settle about 6,000 refugees, and for this purpose has how set up an organization called the *Mysore State Refugee Relief Committee* and a Commissioner of Refugees with staff. It need hardly be stressed that the work of the Committee can only be successful with the enthusiastic support and most generous contributions from the humanitarian public of our country, and the President and the Members of the Committee earnestly appeal to all the citizens of the country, and particularly to the well-to-do classes, to aid the Committee in its great humanitarian work through both their personal influence and liberal pecuniary contributions. The gentlemen and ladies that intend to remit amounts for this beneficent purpose will kindly credit their contributions to the Mysore Bank or to any of its branches or to any Government Treasury within the State.
